Experience

Office Assistant At Computer Nook

05/2022 to 07/2022

During my summer work experience as an office assistant, I actively engaged in diverse technical tasks, primarily focusing on assembling and configuring personal computers. I demonstrated strong problem-solving skills by assisting customers with technical inquiries and providing efficient solutions. Additionally, I played a pivotal role in the installation and maintenance of various software and hardware components. Through this experience, I honed my multitasking abilities and contributed to the seamless functioning of the office environment. My dedication to providing exceptional technical support and my adaptability in handling various tasks made me an integral part of the team.
